

## Training and Placement Cell GEC BHARUCH

The Placement Cell has been operational with the dual objective of imparting employability skills to students and interacting with prestigious industries to arrange campus selections drives for best opportunities to students.

The college has career guidance and placement cell with 12 faculty members including Training and Placement Officer. T&P Cell provides career guidance, counseling for higher study and pre placement training like campus to corporate, interpersonal skills, communication skills, aptitude test , mock group discussions and mock interviews etc to enhance employability. The placement cell organizes on-campus and off-campus recruitment drives. These all are student-supported activities.

T&P Cell is also conducting TCS supported “TAAP – Tata Affirmative Action Program” since October 2016 on weekends to uplift the socially disadvantaged section young students to improve their placement chances at free of cost.

### Placement Blog

Placement blog address is [tpogecbharuch.blogspot.com](http://tpogecbharuch.blogspot.com)

**Students are advised to visit the blog on daily basis.**

Institute has created a blog in the year 2013 which is exclusively used for the placement related activities. Students get all the necessary information from this blog regarding campus placement notices, news and updates, seminars, workshop etc. Social media platform (e.g. facebook / whatsapp chats groups) is also used for sending information to the eligible students for such activities.
