

GOVERNMENT ENGINEERING COLLEGE

BHARUCH

Established 2004

Dr. Sanjay R. Joshi
Principal, GEC Bharuch

Message from Principal's Desk

The Training & Placement cell works tirelessly, ensuring fruitful career for students, across various industries. Students are provided with good facilities and enjoy a healthy environment so that they fully imbibe the concepts and thereby manifest their knowledge in the real world. Students are prepared thoroughly to enter the professional zone with courage and conviction. They have been given intensive training for interview techniques and group discussions to come out with glorious success in the selection process. I am confident that our students will perform best post placement in respective organization as per our previous track record

I sincerely thank all the companies/ industries who have very good tie-up with the institute. The various industries have cooperated the institute in providing support in terms of industrial visits, experts lectures, final year projects and process of recruitment.

CIVIL ENGG	08	06	04
	117	151	38

Special Achievements (TCS - CSR)

- MoU with TCS, Gandhinagar under CSR to enhance student's employability since last 5 years.
- GEC, Bharuch is the 1st and Only Institute in Gujarat state having this benefit from TCS.
- So far four batches have successfully completed training and many students have been recruited at TCS.
- Fifth batch training is undergoing alongwith additional fast track batch.
- Poor meritorious students are benefited under this TAAP-Tata Affermative Action Programme.

Achievements

- GEC, Bharuch consistently remains in TOP 10 in GTU results.
- Few students of Institute secured more than 95 percentiles in GATE-2020 Exam.
- Pre-Placement initiatives for campus to corporate, GD-PI, Mock test, Foreign/Higher studies are organised regularly.

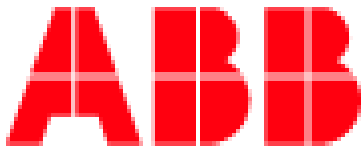

Library

- Average annual package ranges from 2 to 6 lacs.
- Maximum package offered by RIL 7.5 lacs/annum.
- Nearly 100% results achieved by all departments
- Technical skill development programme / Workshop / Expert talk / Webinars / Industrial visits / Internship etc. are organised to enhance students psychomotors skills.
- Students support eco-system to promote entrepreneurship / start up.
- Many students won prizes in poster presentation / Paper presentation held at different Institutes across the country.
