

Approved POC/Prototype/IPR under SSIP

Sr. No.	Title of Innovation	Type of Innovation (POC/Prototype/IPR)
1	Multi functional solar power bank	IPR and POC
2	Development of an ICT based municipal solid waste managemetn system	IPR and POC
3	Enrichment of Bio gas from iron neno particles using Putrescible waste	POC
4	Touch free ginger Tea making machine	POC
5	Banana Peeling machine	POC
6	Pea podder machine	POC
7	Real time control of solar panel cleaning robot using PLC Scada	POC
8	Preparation of Manure from organic waste at GEC Bharuch	POC
9	Smart Home	POC
10	Home Automation	POC
11	Frescodal (E-service Sector)	POC
12	Smart Vehicle Sharing Application	POC
13	Multi funcitonal Fire Safety Vehicle	POC
14	Smart Campus Development	POC
15	Your Medistore - Your nearest E-pharmacy	POC
16	Fingerprint based voting machine	POC
17	English Tutor with dictionary	POC
18	Wireless Sensor Network for real time slope monitoring	POC
19	Just take and go	POC
20	Face recognition attendance	POC
21	IOT based LED dispay board	POC
22	Portable 3D Hanging Printer	POC
23	Advanced Smart Bottle	POC
24	Neural Network Recognizing 3D object through Ultrasonic Scattering	POC
25	Eye controlled wheel chair using Rasperry Pi-4 modeld B for physically challenged person	POC
26	Shrimp Farming System	POC
27	Water Contamination Data Management System	POC
28	Data communication Using Free space Optical communication	POC
29	Artifical Silk	POC
30	Greenovate	POC
31	Effluent treatment of industry waste water	POC
32	Utilization of Pyrolysis carbon for waste water management	POC
33	Manufacturing of Biofuel from waste cooking oil	POC
34	Advanced Energy Harvesting System on Railway Track	POC
35	Development of flexible pulsating heat pipe for effective thermal management of foldable electronics	POC
